## **Cory Kipp Football Scholarship**

Awarded by the Riverside Educational Enrichment Foundation

Cory Kipp loved football. From the time he was a child he worked diligently to become the best. He spent hours and hours preparing in the weight room and on the field pushing himself, willing himself to succeed. Cory was a proud member of the JW North football team and was the ultimate Husky. His time spent at North was highlighted by his infectious passion for the game, tenacity, unbridled optimism, and more importantly, his love for his teammates. Even up until his passing Cory would brag, not about those he played with at the University of Arizona or Kansas University, but the men who stood beside him when he wore the Blue and Gold. He wanted nothing more than to see the people around him achieve their dreams. Whether it was a teammate or a player he helped mentor, Cory will be remembered for his desire for those in his life to be successful and his willingness to pay the price to accomplish his goals.

In his honor, a scholarship of \$500 will be awarded to a selected football senior (from the JW North Football Team) who completes this application.
