Enhancing Education, Promoting Excellence

REEF's Best.Event.Ever!

The reason REEF exists is to support schools in Riverside Unified School District in the excellent work they do. Since the inception of REEF, teachers, students and classrooms have greatly benefited from the over \$2.5 million we have been able to give. This has been made possible by our generous Riverside community and business partners.

This year, REEF is again hosting our "BEST. EVENT. EVER!" at the premier Fox Performing Arts Center, featuring students and programs that REEF has impacted. We are inviting you to be a part of the festivities.
